PROCLAMATION

DESIGNATING A MAJOR DISASTER AREA

WHEREAS, as a result of the extensive and extraordinary damage resulting from the heavy snows and blizzard conditions of March 3-4-5, 1966, in those areas of South Dakota seriously affected thereby, and;

WHEREAS, an immediate danger and threat to the health, welfare and well-being of the residents in the above areas exists, and;

WHEREAS, the loss to public and private property has been widespread, burdensome and excessive as to properly require financial assistance in the reconstruction, rebuilding and rehabilitation of this stricken area, and;

NOW, THEREFORE, I, NILS A. BOE, Governor of the State of South Dakota, do hereby proclaim and declare these portions of the State of South Dakota major disaster areas.

IT IS FURTHER DECLARED that the mere use of the term "disaster" does not alter or increase the amount of assistance rendered up to this time inasmuch as the South Dakota National Guard units have been authorized to act in emergency, statewide Civil Defense operations have been activated, all private and state owned equipment such as tractors, bulldozers, plows and loaders have been called into play and utilized for emergency snow clearance and rescue operations. I am hereby using the term "disaster area" so as to permit the immediate use of all disaster loans and funds that might be available both to public bodies as well as private individuals.

IN TESTIMONY WHEREOF I have caused my signature to be affixed this 7th day of March, 1966, and have attached thereto the Great Seal of the State of South Dakota.
